## Implant Price List 2025 - ALL INCLUSIVE

**Implant Basics** - All cases include Arum analogues, soft tissue, and transfer jigs (when required). Each case is designed digitally and milled in house using Arum components.

**Implant Premium** - All cases include branded analogue, soft tissue, and transfer jig (when required). Each case will be milled using branded components from the implant manufacturer, and milled at a premium milling centre e.g., Straumann – Createch – Atlantis, etc.
